

CatholicCare

Children's Contact Service Roles

A **Coordinator** and a part-time **Caseworker** are sought to join our team of committed children's contact service workers. CatholicCare is an agency deeply committed to positive outcomes for families and this federally-funded service aims to provide a safe, supportive environment for children and their parents to maintain contact after separation.

Applicants require relevant tertiary qualifications in Social Work, Welfare, Psychology or other related areas as well as a demonstrated capacity to work with individuals and families in complex post-separation circumstances. Experience in the post-separation services sector is desirable.

Both positions are based in the city with some time required at our inner-city centre. The Caseworker position is part-time and includes a regular weekend shift. Both positions offer salary packaging provisions which increase take-home pay.

To request an application kit please contact Christine Nassif at christine.nassif@catholiccare.org or on 9390 5366. Applications must address the selection criteria in the application kit and be received no later than 29th May 2009. Child protection legislation requires preferred applicants to be subject to employment screening.
